Britannia Financial Group

Category 2 membership of The London Metal Exchange

Britannia Financial Group (“Britannia”), a full-service financial institution offering personalised banking, investment management and brokerage services, is pleased to announce that Britannia Global Markets Limited’s application to become a category 2 member (previously category 4) of The London Metal Exchange (the “LME”) has been approved by the LME.

Britannia offers access to all LME products with a dedicated team facilitating hedging and trading. As the world centre for industrial metals trading, the LME is the global reference price for both the metal and investment communities. Britannia Global Markets Limited gives clients access to LME select and carry pricing via a multitude of online platforms and has a dedicated LME trading desk to facilitate all client orders including LME and Comex arbitrage.

This is the latest step in developing Britannia’s full service offering, complementing its memberships of other world-renowned exchanges including the London Stock Exchange, (LSE) and the Dubai Gold and Commodities Exchange (DGCX).

Steve Pettitt, Director of Sales, commented:

“Category 2 Membership of the LME is an important milestone for Britannia as we build and diversify our offering to our clients. It is also further progress towards achieving our vision of building a firm founded on the philosophy of providing personalised and differentiated solutions to our clients, across a range of markets whilst utilising the latest technology.”

Britannia Global Markets Limited is regulated by the Financial Conduct Authority: FRN 114159. Further information can be found at www.britannia.com.

About Britannia Financial Group:

Britannia Financial Group (“Britannia”) is a leading international financial services group headquartered in London. Britannia combines local expertise with global solutions to offer personalised, full-service banking, and securities services to its clients. Across five fully regulated entities, Britannia services a diversified, international client base consisting of institutions, corporates, family offices and UHNWs.

About Britannia Global Markets:

Britannia Global Markets is a complete multi-asset brokerage offering execution only, give-ins and give-ups, clearing and custody for a range of financial products to institutions, corporations and UHNWs, including equities, bonds, futures, options, CFDs and FX.

Futures, options and other derivative products are complex instruments and come with a high risk of losing money due to leverage. You should consider whether you understand how they work and whether you can afford to take the high risk of losing your money. You can lose more than your deposit. All trading involves risk.
